## Part One: Statutory Authority and Alignment

### 1. ROLE OF CHIEF EXECUTIVE OFFICER

In accordance with Section 11(1) of the Tailte Éireann Act 2022, the Chief Executive Officer (CEO) is appointed by the Minister for Housing, Local Government and Heritage in accordance with the Public Service Management (Recruitment and Appointments) Act 2004 and the Civil Service Regulation Act 1956. The CEO is at Deputy Secretary Level and is the head of office for Tailte Éireann (TÉ) for the purposes of the Public Service Management Act 1997 (PSMA). The CEO, therefore, has statutory responsibility for controlling generally the staff, administration and business of TÉ.

Under Action 21 of the Civil Service Renewal Plan 2014<sup>1</sup> all government departments and offices are obliged to publish a Framework of Assignments. The aim is to improve accountability by clarifying the responsibilities and accountabilities of senior managers so that ‘who does what and how they are held accountable’ is clear.

This process is underpinned by statutory provisions in the PSMA and the Tailte Éireann Act 2022 which provide that the CEO has the statutory authority, responsibility and accountability for carrying out certain duties including, but not limited to the following:

#### PSMA 1997

- Providing advice to the Minister with respect to any matter within, affecting or connected with, the responsibilities of the Minister or the Department or TÉ giving rise to material expenditure chargeable to its appropriation account.
- Managing TÉ, implementing Government policies appropriate to TÉ, monitoring Government policies that affect TÉ and delivering outputs as determined with the Minister for Housing, Local Government and Heritage.
- Preparing Statements of Strategy for submission to the Minister
- Managing all matters pertaining to appointments, performance, discipline and dismissals of staff below the grade of Principal or its equivalent in TÉ.
- Assigning the responsibility for performance of the functions for which the Head of the TÉ is responsible to other officers or to a grade or grades of officer of TÉ including the conditions pertaining to such assignments in order to ensure coherence of policy across TÉ and ensuring that, where appropriate, the responsibility for the performance of those functions is further assigned to other officers or to a grade or grades of officer within the TÉ.
- Ensuring that appropriate arrangements are put into place that will facilitate an effective response to matters that pertain to both the Department or TÉ and other branches of the public service.

---

<sup>1</sup> Action 21 Publish the Framework of Assignments for all Departments  
[gov.ie](http://www.gov.ie) - Civil Service Renewal Plan - Progress Reports ([www.gov.ie](http://www.gov.ie))

- Ensuring that the resources of the Department or Scheduled Office are used in a manner that is in accordance with the Comptroller and Auditor General (Amendment) Act, 1993, with a view to enabling the matters referred to in paragraphs (a) to (d) of section 19 (1) of that Act to be appropriately addressed by the Department or Scheduled Office.
- Examining and developing means that will improve the provision by T   of cost-effective public services.
- The CEO is accountable to the Minister in carrying out the duties or functions referred to above.

### **T   Act 2022**

- Acting as Accounting Officer for T  . (*Section 13(1) Tailte   ireann Act 2022; Warrant of Appointment w.e.f. 10th July 2023*).
- Principal officer and the Head of Tailte   ireann for the purposes of the PSMA 1997.
- Tailte   ireann shall act through, and its functions shall be performed in the name of Tailte   ireann by the chief executive or another member of staff of Tailte   ireann duly authorised in that behalf by the chief executive.
- Carry out and manage and control generally the staff, administration and business of T  .
- At the request of the Board promptly provide it with such information (including financial information) as the Board may require, in particular in relation to –
  - the functions of the chief executive and the implementation by him or her of the policies of the Government or a Minister of the Government affecting the functions of T  ,
  - the strategic direction of Tailte   ireann, and
  - provide the Minister with such information relating to the performance of the functions of the CEO as the Minister may require.

The duties specified in the PSMA and T   Act, while extensive, are not necessarily exhaustive and the CEO may also be required to carry out other functions on behalf of the Minister<sup>2</sup>. While the CEO may delegate responsibility and accountability by way of assignment (where each officer is accountable to the CEO who is Head of Office), the CEO retains ultimate responsibility and accountability for the actions of the organisation, irrespective of the delegation of assigned responsibilities.

## **2. SCOPE OF FRAMEWORK**

Sections 4(1) and 9(2) of the PSMA empower the CEO to assign to officers of T   (or grade or grades of officer) responsibility for the performance of their functions. Section 13(3) of the T   act provides that its functions shall be performed in the name of T   by the CEO or another member of its staff duly authorised by the CEO. Section 16 of the T   Act states that the CEO may delegate the performance of any functions transferred to T   to any member of the staff of T   who shall be accountable to the CEO for the performance of that function. The functions transferred to T  

<sup>2</sup> Section 4(2) PSMA

include all functions previously carried out by the dissolved Property Registration Authority and Ordnance Survey Ireland and both the Commissioner of Valuation and the Boundary Surveyor.<sup>3</sup>

**Part 3** of this framework document shows the assignment of responsibility for the performance of functions to each individual officer down to and including Principal Officer level or equivalent.

Under the PSMA the CEO is also responsible for ensuring that the responsibility for the performance of TÉ's functions is further assigned to other officers or to a grade or grades within TÉ. Such further assignment of responsibility below Principal Officer level shall be handled administratively on the basis of the personal (or team) work objectives identified under or associated with TÉ's business plan. The latter is informed both by TÉ's Strategy Statement and by its Performance Management and Development System (PMDS) and provides a practical means of prioritising and managing the day-to-day work of TÉ at function, unit, team and individual level.

Subject to overarching budgetary imperatives, workforce planning provisions and unavoidable recruitment delays, officers to whom responsibilities have been assigned under this framework will receive the appropriate resources, collaborative colleague and infrastructural support to enable them to fulfil their obligations under the Act.

### **3. INTERPRETATION OF FRAMEWORK**

Interpretation of this document and the assignments herein should have due regard to the factors which, from time to time, will affect the authorisation, allocation and discharge of responsibilities across TÉ as a newly merged organisation. This includes, *inter alia*, the requirement for integration of support functions, the exigencies of work in a particular area, the alignment of boundary spanning activities and the co-ordination of shared or contiguous responsibilities.

This document should also be interpreted in light of the assignment of functions in respect of appointments, performance and discipline of personnel under the Civil Service Regulation Acts 1956-2005 which may be made from time to time by the CEO under separate regulations.

### **4. PUBLICATION, UPDATES AND REVISION OF FRAMEWORK**

This document, developed as an annex to the Corporate Governance Framework of Tailte Éireann, will be published on the website [www.tailte.ie](http://www.tailte.ie)

Assignments under Section 4(1) of the PSMA, as specified in this framework document, will continue to be amended from time to time, in writing, by the Chief Executive Officer and the framework will be deemed to have been updated accordingly.

---

<sup>3</sup> Section 28 Tailte Éireann Act 2022

This framework of assignments constitutes a consolidated statement, as at 13th May 2026, of all assignments by the Chief Executive Officer of Tailte Éireann. Periodic revision of this document will provide updated information on further assignments.
